Head Coaches

10 WEEKS · SUNDAYS 3-5PM · BALMORAL · U11-U16

Why Winter Cricket?

Most junior players lose significant skill during the off-season — but it doesn't have to be that way. Over **500 junior players** kept training through the 2025 winter season via Cricket Appeal's clinics & academies, arriving at pre-season sharper, stronger, and more confident than ever.

- 📌 The off-season is where elite juniors are made. Don't let winter be wasted.
